Dear Librarians,

All Connecticut libraries are invited to become a **Hungerford Nature Center Library Partner!**

Our Library Membership program gives your community access to nature and wildlife experiences right in your own backyard. Your library receives a pass that patrons can check out just like a book, giving them the opportunity to visit Hungerford Nature Center with their families.

 Library Membership — \$150 per Year

A Hungerford Library Membership includes:

 Free Admission for Your Patrons

A Library Membership Pass grants patrons of Connecticut libraries **free admission to the Hungerford Nature Center**. Each pass may be borrowed once per day and admits **up to four people**.

 Explore the Hungerford Nature Center

The Hungerford Nature Center offers a unique opportunity for children and adults to explore the natural world through animals, exhibits, and play areas. Our Nature Center is home to many domestic animals and native wild birds. Visitors can enjoy the farmyard, indoor exhibits, walking trails, picnic areas, and playscape.

 NEW! One Animal Program Included

Your \$150 Library Membership now includes **one 30-minute animal program at your library!** The program features a basic animal presentation accompanied by a nature-themed story, providing an engaging and educational experience for children and families.

Our mission is to engage our community by sparking curiosity, nurturing understanding, and encouraging stewardship of our natural world. We are excited to partner with Connecticut libraries to help bring these experiences to more children and families.

Library Memberships are \$150 per year and are 100% tax-deductible.
